

W.E.S.W.A.T.C. Data Retention Policy May 2018

“Data minimisation” is one of the overarching principles in the General Data Protection Regulation. It requires personal data to be retained only for so long as is necessary. Personal data should therefore only be kept as long as is strictly necessary and organisations should define time limits OR have criteria to determine when data should be disposed/deleted securely.

Retention Policy

W.E.S.W.A.T.C. will only retain personal data for as long as necessary to fulfil the purposes for which it was collected it including for the purposes of satisfying any legal, accounting, or reporting requirements.

Personal data will be further processed and stored for archiving in the public interest and statistical and historical research purposes. When doing so we will consider: any link to the initial purpose, the context the data was collected in, the reasonable expectations of members/exhibitors/competitors/judges, the nature of the data, the consequences of further processing and the existence of appropriate safeguards. Also, whether such data can be ‘anonymised’ if being preserved for archives.

Financial Records:

There is statutory requirement to keep financial records for seven years. However, records may be kept for the last eight years, in order to ensure that year ends are available. Beyond that period, there is little justification in keeping bank statements, cheque stubs etc. unless there was an incident which was of particular significance. Financial records will be securely destroyed/deleted after 8 years.

Membership Lists:

Old membership lists may have some historical value and/or statistical value W.E.S.W.A.T.C. will consider how long is practically useful after 3 years.

Judges Lists:

Old judges lists may have some historical value and/or statistical value W.E.S.W.A.T.C. will consider how long is practically useful after 3 years

Constitutions:

Out of date constitutions come into the same category. Whilst details of changes will be included in AGM reports,, there may be a historical interest in retaining original versions where possible, and which can be displayed as part of commemorative exhibitions.

Show Catalogues:

Show catalogues can provide a gold mine of information and statistics, as well as forming an important historical record. Show entry forms must be retained for a minimum of twelve months after the show. However W.E.S.W.A.T.C. will keep show catalogues indefinitely for the purpose of archive and history of the club and breed

Committee and AGM/SGM Minutes and Documents:

Committee minutes and documents relating to AGMs and SGMs must be retained as the definitive record of all club business together with the decisions made and policies agreed. Also as an information resource to resolve any procedural issues or disputes.
